CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

The return of the proxy form will not preclude you from attending and voting in person if you so wish and in such event, the form of proxy previously submitted shall be deemed to be revoked.

THE GEM LISTING RULES REQUIREMENT

Pursuant to Rule 17.47(4) of the GEM Listing Rules, all votes of Shareholders at the Annual General Meeting must be taken by way of poll and the Company will announce the results of the poll in the manner as prescribed under Rule 17.47(5) of the GEM Listing Rules. LETTER FROM THE BOARD OF DIRECTORS

To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, no Shareholder is required to abstain from voting on the resolutions to be proposed at the Annual General Meeting. Holders of treasury shares (if any) shall abstain from voting on matters requiring shareholders' approval at the Annual General Meeting.

RECOMMENDATION

The Directors consider that the general mandates to issue Shares (including any sale or transfer of the treasury shares) and repurchase Shares, the re-appointment of the auditor and the re-election of Directors proposed are in the interest of the Company and Shareholders, and therefore recommend you to vote in favour of the relevant resolutions to be proposed at the forthcoming Annual General Meeting.

Yours faithfully,

By order of the Board

Global Link Communications Holdings Limited

LI Kin Shing

Chairman

This is an explanatory statement given to all Shareholders of the Company, as required by the GEM Listing Rules, to provide requisite information of the Repurchase Mandate.

1. GEM LISTING RULES FOR REPURCHASES OF SHARES

The GEM Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase their fully-paid Shares on GEM subject to certain restrictions, the more important of which are summarised below:

(a) Shareholders' approval

All proposed repurchase of securities on the Stock Exchange by a company with primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of general mandate or by special approval of a particular transaction.

(b) Share capital

Under the Repurchase Mandate, the number of Shares that the Company may repurchase shall not exceed 10% of the aggregate nominal amount of the issued share capital of the Company (excluding treasury shares, if any) at the date of the passing of the relevant resolutions. The Company's authority is restricted to purchases made on GEM in accordance with the GEM Listing Rules. As at the Latest Practicable Date, there were in issue an aggregate of 326,380,750 Shares and there are no treasury shares. Exercise in full of the Repurchase Mandate, on the basis that no further Shares would be issued or repurchased prior to the date of the Annual General Meeting, would accordingly result in up to 32,638,075 Shares being repurchased by the Company.

(c) Reasons for repurchase

The Directors have no present intention to repurchase any Shares but consider that the Repurchase Mandate will provide the Company with the flexibility to make such repurchase as and when appropriate and is beneficial to the Company and Shareholders. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and its assets and/or its earnings per Share if the Board resolves to cancel the Shares repurchased. On the other hand, Shares repurchased by the Company and held as treasury shares may provide more flexibility to the Board to resell the treasury shares on the market prices to raise additional funds for the Company and for other purposes permitted under the GEM Listing Rules and the Memorandum and Articles of Association. As compared with the position of the Company in its financial statements for the year ended 31 March 2026 (being the most recent published audited accounts), the Directors consider that there would not be any material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed repurchases were to be made in full during the proposed

repurchase period. However, the Directors will not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on its gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

Subject to the compliance with the GEM Listing Rules and all applicable laws and regulations, the Company may cancel any shares it repurchased and/or hold such shares as treasury shares for subsequent sale or transfer subject to consideration of factors including market conditions and the Group's capital management needs at the relevant time of the repurchases.

(d) Funding of repurchases

Repurchase of the Shares will be funded out of funds legally available for such purpose in accordance with the Memorandum and Articles of Association and the applicable laws of the Cayman Islands.

The Company is empowered by its Memorandum and Articles of Association to repurchase its Shares. The Cayman Islands law provides that the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant shares, or the profits that would otherwise be available for distribution by way of dividend or the proceeds of a new issue of shares made for such purpose. The amount of premium payable on redemption may only be paid out of either the profits that would otherwise be available for distribution by way of dividend or out of the share premium of the Company.

For any treasury shares deposited with CCASS pending resale on the Stock Exchange, the Company shall (i) procure its broker not to give any instructions to HKSCC to vote at general meetings of the Company for its treasury shares deposited with CCASS; and (ii) in the case of dividends or distributions, withdraw the treasury shares from CCASS, and either re-register them in the Company's name as treasury shares or cancel them, or adopt any other measures to ensure that it would not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those shares were registered in the Company's own name as treasury shares, before the record date for the dividends or distributions.

(e) Connected persons

None of the Directors nor, to the best of the knowledge and belief of the Directors having made all reasonable enquiries, any of the close associates (as defined in the GEM Listing Rules) of any of the Directors has any present intention, in the event that the proposed Repurchase Mandate is approved by the Company's Shareholders, to sell Shares to the Company.

As at the Latest Practicable Date, no core connected person (as defined in the GEM Listing Rules) of the Company has notified the Company that he/she has a present intention to sell Shares to the Company nor has he/she undertaken not to sell any of the Shares held by him/her to the Company in the event that the Company is authorised to make repurchases of Shares.

The Directors will exercise the powers of the Company to make repurchase pursuant to the Repurchase Mandate and in accordance with the GEM Listing Rules, the Memorandum and Articles of Association and any applicable laws of the Cayman Islands.

Neither this explanatory statement nor the Repurchase Mandate has any unusual features.

(f) Effect of Takeovers Code and minimum public float

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interests, could obtain or consolidate control of the Company and become(s) obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, the register of the Shareholders maintained by the Company pursuant to Section 336 under Part XV of the SFO showed that the Company has been notified of the following interests, being 5% or more of the Company's issued share capital:

Name of Shareholders	Number of Shares held	Approximate percentage of existing shareholding	Approximate percentage of shareholding if the Repurchase Mandate is exercised in full
Mr. LI Kin Shing <i>(Note 1)</i>	229,092,390	70.19%	77.99%
Ms. KWOK King Wa <i>(Note 1)</i>	229,092,390	70.19%	77.99%
Ever Prosper International Limited <i>(Note 2)</i>	25,465,320	7.80%	8.67%

Notes:

1. Ms. KWOK King Wa (“**Ms. Kwok**”) is personally interested in 38,749,356 Shares. Mr. LI Kin Shing (“**Mr. Li**”) is personally interested in 164,877,714 Shares. Mr. Li is the spouse of Ms. Kwok. Accordingly, each of Mr. Li and Ms. Kwok is deemed to be interested in each other’s shareholding under the SFO. Furthermore, Ever Prosper International Limited, which is held as to 50% and 46.5% by Mr. Li and Ms. Kwok respectively, is interested in 25,465,320 Shares. Therefore, each of Mr. Li and Ms. Kwok is also deemed to be interested in the Shares held by Ever Prosper International Limited under the SFO.
2. The 25,465,320 Shares are held by Ever Prosper International Limited, which is held as to 50% and 46.5% by Mr. Li and Ms. Kwok respectively. Mr. Li is the spouse of Ms. Kwok.

In the event that the Directors shall exercise in full the Repurchase Mandate, the total interests of the above Shareholders would be increased to approximately the respective percentages shown in the last column above and such increase will not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

The Directors will not exercise the Repurchase Mandate if the repurchase would result in the number of Shares which are in the hands of the public falling below 25% of the total number of Shares in issue (or such other percentage as may prescribed as the minimum public shareholding under the GEM Listing Rules).

2. SHARE PURCHASE MADE BY THE COMPANY

The Company had not repurchased any of the Shares during the previous six months immediately preceding and up to the Latest Practicable Date.

3. SHARE PRICES

During each of the 12 months immediately preceding the Latest Practicable Date, the highest and lowest traded prices for Shares on GEM were as follows:

Month	Price Per Share	
	Highest	Lowest
	<i>HK\$</i>	<i>HK\$</i>
2025
