POSITIVE PROFIT ALERT

This announcement is made by Global Link Communications Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 17.10(2) of the Rules Governing the Listing of Securities on GEM of the Stock Exchange (the "**GEM Listing Rules**") and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

The board (the "**Board**") of directors (the "**Directors**") of the Company wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that based on the information currently available and the preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 September 2026 (the "**Relevant Period**"), it is anticipated that the Group would record a profit attributable to the equity Shareholders in the amount of not more than approximately HK$1.35 million, as compared to the loss attributable to the equity Shareholders of approximately HK$5.8 million for the corresponding period in 2025. The anticipated return to profitability was primarily attributable to (i) the increase in the Group's revenue in the rail transit business sector and in the CRM business sector during the Relevant Period; (ii) the decease in administrative expenses attributable to effective monitoring of trade receivables, which led to a substantial reduction in the allowance for doubtful debts compared with the corresponding period last year, as well as effective control of administrative expenses during the Relevant Period; and (iii) the decease in selling expenses owing to the Group's adoption of targeted marketing activities.

As the Company is still in the course of preparing its interim results for the Relevant Period, the information contained in this announcement is only a preliminary assessment by the Board based on the figures and information currently available and the unaudited consolidated management accounts of the Group, which have not been reviewed or audited by the Company's auditors or has not been confirmed by the Company's audit committee, hence may be subject to adjustments where necessary. Further information of the Group's interim results for the Relevant Period will be announced in due course in accordance with the GEM Listing Rules.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.

By order of the Board
